

PanGuard

Stop Looking at Those Dirty Drain Pans!

Stop Clogs in Drain Pans!

Stop clogs in Drain pans! PanGuard Time-released detergents work for 24 hours a day, 7 days a week, for up to 6 months to assure free-flowing drains in all your air conditioning units.

The action takes place in our secret non-dissolving polymer core where thousands of tiny pores hold the cleansers. In the presence of water, PanGuard slowly releases these cleaners and wetting agents to keep dirt in suspension. The result is a drain pan that is guaranteed crystal clean for up to six months.

PanGuard Also Cares For Your Environment.

PanGuard also cares for your environment. PanGuard has been certified as **GREEN** with the following attributes:
